What we have learned:

Potential uses in the classroom

- I would like to disseminate my own experience in Dublin with my students through new technologies.
- As a vocational IT teacher, I am going to use ICT tools to consolidate my students learning. Mainly a Quizizz to sum up the unit.
- I teach in secondary school so I like to use new methodologies in my lessons to arouse curiosity.

Potential uses in the classroom

- I teach in a primary school and I could use "Quizizz" to consolidate the learning of my students and to share the experience in Dublin with my colleagues.
- I am a Music teacher and I'd like to use some traditional Irish dances and children songs to work with my students.
